Dear Naadiya,

Thank you so much for extending to us this invitation! We are delighted to attend. If possible, I would like to RSVP for the following group, but please let me know if our participation is limited to a specific number of personnel:

- Regional Administrator Guzman (afternoon only, 2-4pm)
- Communications Advisor Audrey-Shola Momoh
- Enforcement and Compliance Assurance Division Director Amy Miller
- Environmental Justice Team Leader Idalia Pérez
- Environmental Justice Coordinator Morgan Capilla
- Environmental Justice Coordinator CJ Mishima

I regret that I am not personally able to attend this tour, but look forward to hearing updates from our participants. We plan to travel in our own vehicle for the tour; let me know if there is a different expectation – we are able to ride as passengers on a bus or in another vehicle with advance notice and a little paperwork.

Thank you!

Subject: INVITE| Oakland Justice40rward Tour: May 9th

Dear Administrator Guzman and Ms. Ebbert,

We are at a critical inflection point for the Justice40 Initiative, and environmental justice communities are eager to see the transformative potential of the Justice40 initiative realized in our communities. ***We cordially invite you to participate in our Oakland Justice40rward Community Tour on Tuesday, May 9th*** which will be co-hosted by the Environmental Democracy Project, the Asian Pacific Environmental Network, and Communities for a Better Environment. WE ACT for Environmental Justice has launched a series of these regional tours in collaboration with members of the Environmental Justice Leadership Forum – such as the Asian Pacific Environmental Network, and Communities for a Better Environment– as part of our Justice40rward campaign, a community-led effort to ensure transparency and collaboration between elected officials, municipalities, and those who live in the disadvantaged communities Justice40 was designed to support. The community tour is the first step in this process, and we are bringing together federal, state, and local agencies and elected officials with community organizations and leaders to develop a better understanding of what resources are needed and how to secure the necessary funding through Justice40.

The goal of this community tour will be to raise awareness of Justice40 investments in the Infrastructure Investments and Jobs Act and Inflation Reduction Act, spotlight community advocacy and environmental justice leadership, and engage with city, state, and federal officials to ensure Justice40 investments reach communities that need them most. Attached is a draft agenda of what we envision for the day.

Please confirm whether you will be able to attend by Thursday, April 27th, using this [online RSVP form](#) or by responding to this email. If you are unable to attend, we would greatly appreciate the attendance of another Senior Official from your office. Naturally, we are happy to answer any questions you may have or schedule a call to discuss this opportunity further. Thank you!

Sincerely,
